Niels Bohr Professorship Centre for Cultural Psychology | Aalborg University | Denmark

Time: Friday, February 12, 2016 | 10:15 to 12:30 and 13:30 to 16:00 | Room: GC 04/45

Pradeep Chakkarath | Jürgen Straub
A framework for cultural psychology

Anna Sieben
Is cultural psychology a useful framework for researching spaces of psychological knowledge in everyday life? How important are intercultural and historical comparisons for describing and understanding psychologization?

Paul S. Ruppel
Grounded Theory methodology and cultural psychology: A perfect match?

Estrid Sørensen
A new cultural psychology for a new society: Hopes and wishes for the future of cultural psychology
